Bob Dylan Signature Series

The Bob Dylan Signature Series model represents the next generation in harp design and playability, resulting from the collaboration between Bob Dylan and Matth. Hohner master craftsmen.

This new harp is designed to produce a brilliant or "bright" sound ... which, when combined with the warm tone of a wooden comb, creates greater sonic versatility allowing artists such as Bob Dylan to more easily express themselves.

The instrument features gold-plated reed plates, custom cover plates bearing Bob Dylan's signature and a carrying case embossed with Bob Dylan's personal "Eye" logo.

Available individually (key of C) or as a set of seven natural keys (G, A, B, C, D, E and F) with custom case.

Individual Key of "C": \$129

Natural Key Set: \$900
