Dear Jorgen,

Thanks for your letter to Wanted Man. I'm writing to you, as I'm the main tape archivist in the WM organisation. Actually, I almost feel like I know you. Congrats on your interviewing Izzy Young for Ian. I gather you're in touch with Dominique, as he's mentioned you several times. I gather you're a friend of Ake, who's in touch with Chris Ho kenhull over here. & I've even got a photo of you!!!! Now I bet that surprises you??? Dominique sent me a pic of him, Peter H, You, that Jos took last year in France, I'm sure you remember!! Anyey, about these Springfield tapes you mention from 75. Besides the comments in Sloman, the MM review of the shows also clearly makes "20 Years" wrong, & that show the afternoon one. But what exactly is the recently surfaced "afternoon" that is in fact the evening???? I've not heard of this, which I find a bit odd. How recent is this. I know Arie De Reus listed a partial show, but I had a tape that I found was the same as the complete one. If you do infact have a bona fide Springfield Evening show, I'd be very interested in a cassette copy if possible. I'd be glad to do in return whatever I can. Only new tape recently apart from the Newcastle 65 song direct off the Radio Disc is the complete El Paso tape, just arrived from USA. What else might be of interest to you I've no idea really, as I'm sure you have all the known tapes, like me, or at least the ones you want. Must Dash, as I've just moved house & I'm pretty busy. Look forward to hearing from you about these matters,

All The Best, Write Soon,

Dave
