

BEYOND HERE LIES NOTHING

Oh well, I love you pretty baby
You're the only love I've ever known
Just as long as you stay with me
The whole world is my throne
Beyond here lies nothin'
Nothin' we can call our own

Well, I'm movin' after midnight
Down boulevards of broken cars
Don't know what I'd do without it
Without this love that we call ours
Beyond here lies nothin'
Nothin' but the moon and the stars

Down every street there's a window
And every window's made of glass
We'll keep on lovin' pretty baby
For as long as love will last
Beyond here lies nothin'
But the mountains of the past

Well my ship is in the harbor
And the sails are spread
Listen to me pretty baby
Lay your hand upon my head
Beyond here lies nothin'
Nothin' done and nothin' said

LIFE IS HARD

The evening winds are still
I've lost the way and will
Can't tell you where they went
I just know what they meant
I'm always on my guard
Admitting life is hard
Without you near me

The friend you used to be
So near and dear to me
You slipped so far away
Where did we go astray
I passed the old school yard
Admitting life is hard
Without you near me

Ever since the day
The day you went away
I felt that emptiness so wide
I don't know what's wrong or right
I just know I need strength to fight
Strength to fight that world outside

Since we've been out of touch
I haven't felt that much
From day to barren day
My heart stays locked away
I walk the boulevard
Admitting life is hard
Without you near me

The sun is sinking low
I guess it's time to go
I feel a chilly breeze
In place of memories

My dreams are locked and barred
Admitting life is hard
Without you near me
hummmm
Without you near me

MY WIFE'S HOME TOWN

Well I didn't come here, dear, with a doggone thing
I just came here to hear the drummer's cymbal ring
There ain't no way you can put me down
I just wanna say that hell's my wife's home town

Well there's reasons for that, and reasons for this
I can't think of any just now, but I know they exist
I'm sittin in the sun 'till my skin turns brown
I just wanna say that hell's my wife's home town home town home town

She can make you steal, make you rob
Give you the hives, make you lose your job
Make things bad she can make things worse
She got stuff more potent than a gypsy curse

One of these days I'll end up on the run
I'm pretty sure she'll make me kill someone
I'm going inside, roll the shutters down
I just wanna say that hell's my wife's home town

Well there's plenty to remember, plenty to forget
I still can remember the day we met
I lost my reasons long ago
My love for her is all I know

State gone broke, the county's dry
Don't be lookin' at me with that evil eye
Keep on walking, don't be hanging around
I'm tellin you again that hell's my wife's home town home town home

town

IF YOU EVER GO TO HOUSTON

If you ever go to Houston better walk right
Keep your hands in your pockets and your gun belt tight
If you're asking for trouble, if you're looking for a fight
If you ever go to Houston, boy you better walk right

If you're ever down there on back near Lamar
You better watch out for the man with the shining star
Better know where you're going or stay where you are
If you're ever down there on back near Lamar

Well I know these streets I've been here before
I nearly got killed here during the Mexican war
Something always keeps me coming back for more
I know these streets I've been here before

If you ever go to Dallas, say hello to Mary-Ann
Say I'm still looking along the trigger, hanging on the best I can
If you see her sister Lucy, say I'm sorry I'm not there
Tell her other sister Nancy to pray the sinner's prayer

I got a restless fever burnin' in my brain
Gotta keep right forward, can't spoil the game
The same way I'll leave here will be the way that I came
Got a restless fever burnin' in my brain

ttl_lyrics.txt

Mr policeman, can you help me find my gal
Last time I saw her was at the Magnolia Motel
If you help me find her, you can be my pal
Mr policeman, can you help me find my gal

If you ever go to Austin, Fort worth or San Anton'
Find the barrooms I got lost in and send my memories home
Put my tears in a bottle screw the top on tight
If you ever go to Houston, buddy you'd better walk right

FORGETFUL HEART

Forgetful heart
Lost your power of recall
Every little detail
You don't remember at all
The times we knew
Who would remember better than you

Forgetful heart
We laughed and had a good time, you and I
It's been so long
Now you're content to let the days go by
When you were there
You were the answer to my prayer

Forgetful heart
We loved with all the love that life can give
What can I say
Without you it's so hard to live
Can't take much more
Why can't we love like we did before

Forgetful heart
Like a walking shadow in my brain
All night long
I lay awake and listen to the sound of pain
The door has closed forevermore
If indeed there ever was a door

JOLENE

Well you're coming down High Street walking in the sun
You make a dead man rise and holler she's the one
Jolene, Jolene
Baby I am the king and you're the queen

Well it's a long old highway that don't ever end
I got a Saturday Night Special, I'm back again
I'll sleep by your door, lay my life on the line
You probably don't know but I'm gonna make you mine
Jolene, Jolene
Baby I am the king and you is the queen

I keep my hands in my pocket, I'm movin' along
People think they know, but they're all wrong
You're something nice, I'm gonna bet my dice
I can't say I haven't paid the price
Jolene, Jolene
Baby I am the king and you're the queen

Well I fought out the hard way, I've had my fill
You can't fight somebody with his back to a hill
Those big brown eyes, they set off a spark
If you hold me in your arms, things don't look so dark

Jolene, Jolene
Baby I am the king and you're the queen

THIS DREAM OF YOU

How long can I stay
In this nowhere café 'fore night turns into day
I wonder why I'm so frightened of dawn
All I have and all I know
Is this dream of you which keeps me living on

There's a moment when
All old things become new again
But that moment might have come and gone
All I have and all I know
Is this dream of you which keeps me living on

I look away but I keep seeing it
I don't want to believe but I keep believing it
Shadows dance upon the wall
Shadows that seem to know it all

Am I too blind to see
Is my heart playing tricks on me
I'm lost in the crowd, all my tears are gone
All I have and all I know
Is this dream of you which keeps me living on

Everything I touch seems to disappear
Everywhere I turn, you are always here
I'll run this race until my earthly death
I'll defend this place with my dying breath

From a cheerless room
In a curtain gloom, I saw a star from heaven fall
I turned and looked again but it was gone
All I have and all I know
Is this dream of you which keeps me living on

SHAKE SHAKE MAMA

I got the blues for you baby when I look up at the sun
I got the blues for you baby when I look up at the sun
Come back here, we can have some real fun

Well it's early in the evening and everything is still
Well it's early in the evening and everything is still
One more time I'm walking up around the hill

Shake shake Mama like a ship going out to sea
Shake shake Mama like a ship going out to sea
You took all my money and you gave it to Richard Lee

Down by the river judge Simpson's walking around
Down by the river judge Simpson's walking around
Nothing shocks me more than that old clown

Some of you women you really know your stuff
Some of you women you really know your stuff
But your clothes are all torn and your language is a little too rough

Shake shake Mama shake until the break of day
Shake shake Mama shake until the break of day
I'm right here baby I'm not that far away

I'm motherless fatherless almost friendless too

t1l_lyrics.txt

I'm motherless fatherless almost friendless too
It's Friday morning going to Franklin Avenue

Shake shake mama, raise your voice and bay
Shake shake mama, raise your voice and bay
If you're goin' on home better go the shortest way

I FEEL A CHANGE COMIN' ON

Well I'm looking the world over
Looking far off into the East
And I see my baby comin'
She's walking with the village priest
I feel a change comin' on
And the last part of the day's already gone

We've got so much in common
We strive for the same old ends
And I just can't wait
Wait for us to become friends
I feel a change comin' on
And the fourth part of the day's already gone

Well life is for love
And they say that love is blind
If you want to live easy
Baby pack your clothes with mine
I feel a change comin' on
And the fourth part of the day is already gone

Well now what's the use in dreamin'
You got better things to do
Dreams never did work for me anyway
Even when they did come true

You are as whorish as ever
Baby you can start a fire
I must be losing my mind
You're the object of my desire
I feel a change comin' on
And the fourth part of the day is already gone

I'm a-listening to Billy Joe Shaver
And I'm reading James Joyce
Some people they tell me
I've got the blood of the land in my voice

Everybody got all the money
Everybody got all the beautiful clothes
Everybody got all the flowers
I don't have one single rose
I feel a change comin' on
And the fourth part of the day's already gone

IT'S ALL GOOD

Talk about me babe, if you must
Throw on the dirt, pile on the dust
I'd do the same thing if I could
You know what they say
They say it's all good
All good, it's all good

Big politicians telling lies
Restaurant kitchens, all full of flies
Don't make a bit of difference

t1_lyrics.txt

Don't see why it should
But it's all right
Cos' it's all good, it's all good, it's all good

Wives are leaving their husbands, they're beginning to roam
They leave the party, and they never get home
I wouldn't change it, even if I could
You know what they say man
It's all good, it's all good, all good

Brick by brick they tear you down
A teacup of water is enough to drown
You oughta know if they could they would
Whatever going down
It's all good
All good, it's all good

People in the country, people on the land
Some of 'em so sick, they can hardly stand
Everybody would move away, if they could
It's hard to believe, but it's all good
Yeaaaa!

The widows cry, the orphans plea
Everywhere you look there's more misery
Come along with me babe, I wish you would
You know what I'm saying
It's all good, all good
I said it's all good, all good

A cold blooded killer stalking the town
Cop cars blinkin', something bad going down
Buildings are crumbling in the neighborhood
But there's nothing to worry about, 'cause it's all good
It's all good, I say it's all good
Whoo!

I'm gonna pluck off your beard and blow it in your face
This time tomorrow I'll be roaming in your place
I wouldn't change a thing, even if I could
You know what they say
They say it's all good, it's all good
O yeah
